Commissioner of Refugees

To

V., VEDAVYASACHARYA, ESQ., B.A.,
Chief Secretary to Government,
Bangalore.

Sir,

I have the honour to enclose herewith a copy of the resolution passed by the Central Refugee Relief Committee held on 17-2-48 resolving that the refugees who have no means of their own and who wish to go back to other parts of India may be provided with railway tickets at the cost of Government on condition that they do not get back to the Mysore State.

In this connection it has to be stated that many refugees come to Mysore State in search of jobs and with a view of starting business. As they have no means of living and no capital to start the business, they find it very hard to earn their livelyhood and approach this office with a request to get them free passages to Northern India where they expect to get jobs or help from their relatives.

In the circumstances, I request that early sanction of Government may kindly be accorded to the above resolution and to meet the cost thereof out of the Refugee Relief Fund.

I have the honour to be.

Sir,

Subject: Providing free passages to refugees to go to other parts of India.

In continuation of this office letter No. 311/47 dated 24-2-48 on the above subject, I have the honour to enclose herewith a letter (original) received from the Joint Secretary, Mysore State Congress Committee. Bangalore City, recommending that free passage may be provided to one Fateh Chand Malik of Dera Ismail Khan District who wants to go to Surat with his family consisting of five persons and to state that the refugee is reported to have left properties worth Rs. 199,000/- in Pakistan and has no means to go over to Surat, where he wants to settle down.

There are a few other cases also of this kind coming direct to this office. May I state that the subject of affording free passage to refugees was placed before the Rehabilitation Committee meeting held on 7-3-48. A copy of the resolution passed by the said Committee touching this subject is herein enclosed for kind information.

The Chief Commercial Manager, M & S.M. Railway, Madras who was requested to permit the free movement of refugees in special cases writes to say that it has been decided by the Government of India that the free movement of refugees is inadmissible and that the issue of certificates to the refugees for free travel cannot be accepted as a substitution of tickets.

In the circumstances, I request that early orders of
